Oyooni to purchase the Laser Machine

Dear Falasteen Ya Oyooni supporters,

Your presence and contribution has made Falasteen Ya Oyooni a successful event as the Oyooni family grows bigger everyday having you on board,

Next time we cross the bridge to Palestine, you'll all be with us....

At every checkpoint...in every bus ride between villages and camps...with every Oyooni patient....and in the company of every Palestinian child, mother, father, and elderly...you will be there with us...

Thank you,
